

OUR COMMITMENT

Bright Light Projects (BLP) is committed in educating and empowering 100,000 (one hundred thousand) people across the globe on the importance of implementing the SDGs by the year 2030 which is strategically aligned with the United Nations Sustainable Development Agenda 2030. This will be achieved through our *#LearnTeachSDGs Initiative* in partnership with the Lady B Bless Humanitarian Foundation, Inc.

We are committed to Goals # 1, 2, 3, 4, 5, 8, 10, 13, 16 and 17.

The Sustainable Development Goals or Global Goals are a collection of 17 interlinked goals designed to be a "blueprint to achieve a better and more sustainable future for all". The SDGs were set in 2015 by the United Nations General Assembly and are intended to be achieved by the year 2030.

Mission Statement:

"A blueprint to achieve a better and more sustainable future for all by 2030"

Founder: United Nations | **Established:** 2015

The 17 SDGs are:

- (1) No Poverty,
- (2) Zero Hunger,
- (3) Good Health and Well-being,
- (4) Quality Education,
- (5) Gender Equality,
- (6) Clean Water and Sanitation,
- (7) Affordable and Clean Energy,
- (8) Decent Work and Economic Growth,
- (9) Industry, Innovation and Infrastructure,
- (10) Reducing Inequality,
- (11) Sustainable Cities and Communities,
- (12) Responsible Consumption and Production,
- (13) Climate Action,
- (14) Life Below Water,
- (15) Life On Land,
- (16) Peace, Justice, and Strong Institutions,
- (17) Partnerships for the Goals.

Though the goals are broad and interdependent, two years later (6 July 2017) the SDGs were made more "actionable" by a UN Resolution adopted by the General Assembly. The resolution identifies specific targets for each goal, along with indicators that are being used to measure progress toward each target. The year by which the target is meant to be achieved is usually between 2020 and 2030. For some of the targets, no end date is given.
